The National Pan-Hellenic Council, Incorporated is currently composed of nine (9) International Greek letter Sororities and Fraternities. NPHC promotes interaction through forums, meetings and other mediums for the exchange of information and engages in cooperative programming and initiatives through various activities and functions. The stated purpose and mission of the organization in 1930 was “Unanimity of thought and action as far as possible in the conduct of Greek letter collegiate fraternities and sororities, and to consider problems of mutual interest to its member organizations.” Early in 1937, the organization was incorporated under the laws of the State of Illinois and became known as “The National Pan-Hellenic Council, Incorporated.”

2.1.4 North American Interfraternity Conference (NIC)
Founded in 1909, the North-American Interfraternity Conference is the trade association representing 75 International and National Men’s Fraternities. 2.2 PRESIDENTS’ MEETINGS
All Recognized Greek Organizations’ presidents are required to attend Presidents’ Meetings throughout the semester. Other representatives from the organizations may attend if necessary. The Greek Life Advisor will oversee these meetings which bring together members of all recognized organizations to discuss Greek-wide initiatives and planning. The format is less formal and no official officers are elected. Presidents must attend every meeting and if they are unable to attend for any reason, should send another executive board member from their organization in their place.

When new Greek organizations are recognized by the College, they must begin to attend Presidents’ Meetings regardless of status.

2.3 GOVERNING BOARDS AT RHODE ISLAND COLLEGE
Greek organizations are categorized based on the national council to which their national organization belongs (NIC, NPC, NPHC, NALFO, NMGC). This model is replicated at the college level with governing boards. The boards are comprised of elected members from each group of organizations and provide leadership, programming, and regulations for their member organizations.

2.3.1 Sorority Council (SC)
The main objectives of this council will be to develop and maintain high standards of sorority life, foster inter-sorority relations, promote common goals and ideals, and effectively lead its sorority organizations. SC operates in accordance with the national standards set by NPC and with the help of a national representative from NPC.

The member organization are:

To achieve Recognized Greek Club status, the group must submit appropriate paperwork to the Office of Student Activities and meet membership requirements as outlined in the Expansion Policies section below. Exceptions or extensions may be granted by the Office of Student Activities.

3.2 ROSTER SIZE
For recognition at Rhode Island College, each fraternity and sorority must maintain a minimum of four active members at all times or the minimum requirement from their inter/national organization. Any Greek organization that is colonizing or chartered prior to Fall 2014 will have until the end of Spring 2016 to be at or above the roster minimum. All colonies beginning during or after Fall 2014 will need to be at the minimum roster size to be recognized.

Should an organization’s membership fall below the roster minimum, they will have two semesters to recruit and educate active members. The Office of Student Activities will work with the inter/national or designee to complete new member education. It is the responsibility of the inter/national or regional representatives to initiate, plan, and conduct all aspects of the New Member Education program. Failure to do so will result in a loss of college recognition.
3.3 ACADEMIC REQUIREMENTS

Recognized Greek Organizations with a cumulative GPA is below a 2.50 will be placed on academic probation with the Office of Student Activities. During that time, the Scholarship Chair (or similar position) and President will work directly with Greek Life Advisor to create and implement an academic plan for the organization. The organization will have a designated time (typically no more than 2 semesters) to bring the cumulative GPA to a 2.50 or above. Failure to do so could result in the organization’s loss of college recognition. If the inter/national organization has higher academic requirements or regulations on active status, the organization must follow the higher of the two for GPA and rules on active status.

The Greek Life Advisor will calculate the organization’s cumulative GPA based on active member’s GPA information and determine the status of the organization for the following semester. Organizations may contact the Greek Life Advisor ahead of time to put together a plan if they feel their group is in jeopardy of being on academic probation for a semester. Academic probation could include a loss of rights and increased responsibilities and requirements. This is determined on a case-to-case basis by the Greek Advisor, Student Union/Student Activities staff, and the Dean of Students.

3.4 FAILURE TO COMPLY

If a Recognized Greek Organization, Recognized Interest Group, or Recognized Greek Club fails to comply with the Active Member Requirements, Academic Requirements, or the Rights & Responsibilities listed, the Greek Life Office with the College may decide to put the group on probation which could lead to loss of recognition by the College. The terms of the probation will be decided on an individual basis dependent upon the violation.

3.5 EXPANSION POLICY

Rhode Island College has recognized the importance of Greek organizations to its campus. However, the College also acknowledges many organizations have a process before coming onto a college/university. RIC wants to make organizations aware that there is a policy new organizations must follow to expand. The information provided will describe the beginning process for Greek Interest Groups to become a Recognized Greek Organization on RIC’s campus. Below, please find the information needed to submit to Student Activities/Greek Life in order to become a Greek Interest Group.

- Visit the RIC Greek Life website to obtain the forms:

4.2 **ACADEMIC REQUIREMENTS**

To be an active member of a fraternity or sorority, a student must meet some preliminary expectations. Consistent with the mission of Rhode Island College, Student Affairs Division, and the Greek Life Office, a student's first priority should be academic success. While a co-curricular experience is a rich and essential component of a student's educational experience at college, it is a privilege to participate in a fraternity or sorority. These expectations for membership are also consistent with the individual organization’s expectations as well.

All active members will give permission to the Office of Student Activities to verify their cumulative and semester GPAs via signatures on the General Grade Waiver Form or Formal Recruitment Registration Form online. Chapter averages will be compared to the all-students’ GPA, and all-men’s or all-women’s GPA, and shared with regional or inter/national offices, as requested.

All fraternity/sorority members must:

- Be matriculated undergraduate students at RIC
- Maintain a cumulative GPA of 2.0* to remain active within the organization
  - Fraternity/sorority members who fall below a 2.0 cumulative GPA will be considered on academically inactive status by the Office of Student Activities. This means a member may continue to be placed on the chapter roster, however, they cannot participate in campus wide fraternity/sorority events, including but not limited to recruitment and new member activities
- Have a semester GPA at or above a 2.0
  - If a chapter member falls below a 2.0 for a semester, but their cumulative GPA is higher than a 2.0, they may remain active in the organization but must attend study hours weekly & follow an academic program designed by their individual organization
  - If the semester GPA is less than a 2.0 two semesters in a row, they will be considered on academically inactive status by the Office of Student Activities and must follow the restrictions outlined above
• Attend the educational program implemented by the Greek Life Advisor each semester

*Some organizations have higher GPA requirements. Listed above are the minimum standards and individuals must follow their respective organization’s requirements.

8. POLICY VIOLATIONS AND SANCTIONS

Occasionally, the Office of Student Activities and/or the College are presented with information in which a chapter’s perceived non-compliance with college policies is called in to question. The Office of Student Activities and/or the College may respond to this information in a number of ways, including, but not limited to, an informal inquiry process, a judicial hearing, and/or legal action.

8.1 INFORMAL INQUIRY PROCESS
An informal inquiry process is a useful tool, enabling the College to determine the authenticity of the information received and whether a situation warrants further investigation. This informal process also allows the College to quickly dispense with unfounded complaints or accusations.

During the course of an informal inquiry, a representative from the division of Student Affairs may ask to speak with various members of the campus community, including, but not limited to, current and/or prospective members of the fraternity/sorority community. The purpose of this meeting shall be to seek information relevant to the subject matter of the inquiry. Students are obligated to cooperate with the inquiry. Appropriate documentation of the inquiry will be kept in the chapter’s
file in the Office of Student Activities. At all times, the College reserves the right to proceed with a formal investigation of the matter.

8.2 REGIONAL AND INTER/NATIONAL ORGANIZATION SANCTIONS
Office of Student Activities and/or the College will communicate changes in a chapter’s disciplinary status with fraternity and sorority regional and inter/national governing boards via documentation copied to the chapter’s president. Additionally, it is typical and encouraged that a chapter’s change in status with the regional and inter/national governing council be shared with the Office of Student Activities and/or the College.

If the chapter has disciplinary sanctions required or applied by the regional and inter/national board due to their own judicial sanctioning or charges, Office of Student Activities/Greek Life Office and/or the College will assist in enforcing such sanctions on campus. This is to ensure the chapter will receive the consistent and necessary support to ensure their growth and progress.
