Borrower Consent

By signing this document I consent to the U.S. Department of Education and its agents obtaining a credit report and using the information from that report to determine my eligibility for a Federal Direct PLUS Loan. If approved I understand I need to sign a Master Promissory Note (MPN) with the U.S. Department of Education before the loan is finalized.

In order to finalize your loan you must go online to www.studentloans.gov to sign a Master Promissory Note (MPN). This credit check is good for 90 days so the MPN must be completed in a timely manner or the loan request will be cancelled.
