Federal 2014-2015 VERIFICATION WORKSHEET
Student Aid Programs

What is Verification?
Your application was selected by the U.S. Department of Education for review in a process called "Verification". The Office of Student Financial Aid must compare information from your FAFSA with information you provide on this worksheet and other documents. If there are differences between your application information and the documents you submit, your application may need to be reprocessed. The Office of Student Financial Aid cannot make any federal financial aid payments available to you or process a student loan request until all verification requirements have been met and the necessary corrections have been made.

What You Should Do
1. The U.S Department of Education no longer allows a copy of tax returns to satisfy the verification requirement. Instead, you may order a TAX RETURN TRANSCRIPT from the Internal Revenue Service online at www.irs.gov or by phone at 1-800-908-9946. Obtain a 2013 Federal IRS Tax Return Transcript and 2013 W-2 forms for yourself, your spouse (if married) or your parents/step-parent (if dependent). Note: If you used the IRS Data Retrieval tool to transfer your IRS income data to your FAFSA, you may not have to submit the IRS Tax Return Transcript.

2. Fill in and sign this worksheet – you and at least one parent (if dependent) must sign the certification on page 2 of the worksheet.

3. Review your Student Aid Report (SAR), information request letters from The Office of Student Financial Aid and the second page of this worksheet to see if you need to submit other documentation.

4. Submit the completed worksheet, tax return transcripts, 2013 W-2 forms and any other documents to The Office of Student Financial Aid, Building #3.

5. After a financial aid counselor reviews your information, you could be asked to submit additional documentation. When all the information has been reviewed and any necessary corrections made, you will be notified about your financial aid awards.
