The **EDCO Collaborative** and the **Massachusetts Association of School Personnel Administrators** are pleased to announce an **Administrative Networking Fair**. We are seeking current administrator license program candidates and teachers with administrator licenses who are interested in administrative/instructional leadership positions.

Candidates are invited to attend an Administrative Networking Fair that will provide them with the opportunity to meet with representatives from EDCO and MASP Districts who are actively recruiting to fill anticipated openings in administrative and leadership positions for the 2009-2010 school year. Participating districts include Belmont, Brookline, Lexington, Manchester-Essex, Needham, Pittsfield Weston, Wellesley, and many others.

The program will begin with a panel discussion describing to candidates the administrative job search process. At the conclusion of the panel discussion, candidates will have the opportunity to meet with representatives from participating school districts to learn about administrative openings. Candidates should come with multiple copies of their resumes to distribute to district representatives at the Fair.

In order to participate in this event, you must bring a resume to leave at the registration table. If you know that you are planning to attend, you may send a resume in advance to resumes@edcollab.org.
