Standard Classroom is a course that meets at a pre-determined time and place, in-person, on a regular schedule throughout the term. The course may include use of online learning management system(s).

Hybrid is a course in which a portion of standard classroom instruction is replaced by online learning.

Distance is a course in which all teaching and learning takes place online. There are no in-person meetings.

*All General Education Connections courses **must** include atleast 50% Standard Classroom instruction.
