BS COMPUTER INFORMATION SYSTEMS MAJOR

RHODE ISLAND COLLEGE

GENERAL EDUCATION: A complete listing of General Education courses can be found at the Office of Academic Support and Information Services (OASIS) or online at <http://www.ric.edu/recordsoffice/Pages/College-Catalog.aspx>; look at catalog for year you enrolled. For Gen Ed courses, aside from Second Language requirement, which varies depending on where you are placed, you need ONE course from each category. Second Language 101/102 options are: American Sign, Arabic, French, German, Italian, Japanese, Latin, Portuguese, or Spanish. For other ways to satisfy the second language requirement look under the Gen Ed. section of the catalog. Any courses marked (F) offered Fall only; (Sp) Spring only. All courses marked with an asterisk * have a prerequisite.

Cognates	Course	Academic Major Checklist	Course
ENGL 230 Writing for the Professional Setting*		CIS 252 Introduction to Information Systems*	
ACCT 201 Principles of Accounting I: Financial*		CIS 301 Introduction to Computer Programming*	
ACCT 202 Principles of Accounting I: Managerial*		CIS 421 Networks and Infrastructure*	
MATH 177 Quantitative Business Analysis I*		CIS 440 Issues in Computer Security*	
MATH 248 Business Statistics I*		CIS 455 Database Programming*	
ECON 214 Principles of Microeconomics*		CIS 462 Applied Software Development*	
ECON 215 Principles of Macroeconomics*			
FIN 301 Financial Management*		Choose TWO restricted professional electives (6-8 credits) from any 300 level or above CIS or CSCI courses*, or COMM 330*	
MGT 201 Foundations of Management*			
MGT 341 Business, Government, and Society*			
MKT 201 Introduction to Marketing*			

This map is a semester-by-semester plan to help you toward graduation in four years. Not everyone graduates in four years as it depends on how many courses you can take, and how you do in those courses. This map is not your only route; it is a suggestion. You might take additional courses over the summer (or early spring/winter) to catch up or get ahead if the courses you need are offered at these times. While many courses in your major will have prerequisites that will need you to take them in a special order, there is some flexibility in this map, but always double check you have the correct prerequisites for a course you plan to take. Maps assume a Fall start.

The column to the left on the other side of this page suggests the ideal courses for you to take each semester. There are times when those courses may be full or unavailable the semester you plan to take them, in which case consider another course from a different semester with which you can switch. The column on the right has "Checkpoints" for each semester that show where you should be by the end of that semester. You should work from this map as you plan each semester's schedule, before checking in with your advisor. The Map is designed primarily for freshmen coming to college for the first time, but transfer students may also use the RhodeMap with the understanding that they have most likely completed several requirements through transfer of credit, and will be starting further into the program.

GRADUATION REQUIREMENTS: The following requirements must be completed by undergraduate degree candidates at Rhode Island College in order to graduate:

- General Education program, including a second language requirement
- College Math Competency (which is separate from the Gen Ed math requirement)
- College Writing Competency (satisfied by FYW with a minimum grade of C)
- Academic Major—see check chart.
- A minimum of 120 credit hours, with a minimum of 45 credit hours taken at RIC. Of the 45 credit hours, a minimum of 15 credit hours must be in the major (12 of which must be at the 300- or 400-level).
- A minimum overall grade point average of 2.0
- A minimum grade point average of 2.0 in your major

Approved by Department Chair: Lisa Bain Date 4/30/18

Approved by Undergraduate Curriculum Committee: Date 5/2/2018

CIS 462 Applied Software*	4	<input type="checkbox"/> Prerequisites are CIS 301 and CIS 455
Additional Gen Ed Distribution course if needed or an elective for four credits to be full time	4	<input type="checkbox"/> All TEN Gen Ed. courses completed.
Elective	4	
Requirements and GPA		<input type="checkbox"/> Need minimum of 120 earned credits <input type="checkbox"/> Minimum of 2.0 GPA <input type="checkbox"/> Minimum GPA of 2.0 in major
# CREDITS EARNED	12	Attend Gradfest and Commencement

For more information, check the Accounting and Computer Information Systems Department website:

<http://www.ric.edu/accountingComputerInformationSystems/Pages/default.aspx>

The total minimum credit count for the major is 69 credits, and 40 credits for General Education. However, 8 Gen Ed. credits for M and AQSR will double-count, so the minimum total is 101, leaving room for 19 credits that may need to include two secondary language courses, or can be electives.
