This major requires completion of a clinical education program leading to certification in Dental Hygiene from an accredited institution. The list below includes the program of study for the Associate in Applied Science Dental Hygiene degree program at the Community College of Rhode Island.

GENERAL EDUCATION: A complete listing of General Education courses can be found at the Office of Academic Support (OASIS) 401 456-8083 or online at http://www.ric.edu/recordsoffice/Pages/College-Catalog.aspx look at catalog for year you enrolled. For Gen Ed courses, aside from Second Language requirement, which varies depending on where you are placed, you need ONE course from each category. Second Language 101/102 options are: American Sign, Arabic, French, German, Italian, Japanese, Korean, Latin, Portuguese, or Spanish. For other ways to satisfy the second language requirement look under the Gen Ed. section of the catalog. Any courses marked (F) offered Fall only; (Sp) Spring only. All courses marked with an asterisk * have a prerequisite. For information about Math Placement exam visit: http://www.ric.edu/orientation/Pages/Math-Placement.aspx. (see CCRI catalog for their prerequisites). Courses with (WID) are Writing in the Discipline courses and will be writing intensive.

The left-hand column suggests the ideal courses for you to take each semester, if space is available. The column on the right has "Checkpoints" for each semester that show where you should be by the end of that semester. You should work from this map as you plan each semester's schedule, before checking in with your advisor. Maps assume a Fall start.

GRADUATION REQUIREMENTS: The following requirements must be completed by undergraduate degree candidates at Rhode Island College in order to graduate:

- General Education program, including a second language requirement
- College Math Competency (which is separate from the Gen Ed math requirement)
- College Writing Competency (satisfied by FYW with a minimum grade of C)
- Academic Major—see check chart above.
- A minimum of 120 credit hours, with a minimum of 45 credit hours taken at RIC. Of the 45 credit hours, a minimum of 15 credit hours must be in the major (12 of which must be at the 300- or 400-level).
- A minimum overall grade point average of 2.00, and a minimum GPA of 2.00 in your major

**NOTE:** The total credit count for Health Science (concentration in Dental Hygiene) major is 93 credits (including courses transferred from CCRI). Six Gen Ed courses will be covered through recommended courses taken at CCRI or program courses at RIC (FYW, FYS, AQSR, M, NS, SB) which leaves 16 more credits of Gen Ed. (A, H, L, and C), and possibly 8 more depending on secondary language needs. The minimum credit count will be 109 credits (without secondary language), which would leave 11 elective credits.
