RIC + Summer
Convenience and Flexibility

More than 400 undergraduate and graduate courses offer intensive programming in two six-week sessions, allowing students to earn valuable college credits in a short time frame.

Over 90 summer courses are offered online or with online components designed to work with your busy schedule.

Enrolling in Summer Sessions

College students
RIC offers a broad range of arts and sciences courses that form the basis of many college prerequisites. Because RIC is accredited by the New England Association of Schools and Colleges, many colleges and universities accept RIC summer credits. Check with your institution of higher education to determine if credits will transfer.

Transfer students
Summer is the ideal time for college students who are considering transfer options to try out this metropolitan campus with a suburban feel. RIC’s admissions staff can also help you evaluate transfer credits.

Summer campers
Youth ages 6 to 18 can enjoy a variety of exciting summer camp experiences on the RIC campus.

Summer tuition rates make higher education affordable.

Undergraduate Tuition
In-State: $218/credit hour
Metropolitan*: $327/credit hour
Out-of-State: $375/credit hour

Graduate Tuition
In-State: $290/credit hour
Metropolitan*: $435/credit hour
Out-of-State: $450/credit hour

High school students
RIC provides a supportive and challenging environment for you to pursue coursework that may not be offered in your secondary school. This option is ideal for the motivated student seeking new academic challenges.

College graduates
Are you considering an advanced degree? Graduate studies at RIC may be your best career move. Summer is an excellent time to work toward a master’s degree.

Professionals

Upgrade your earning power with certificate programs. A shorter-term commitment than a graduate degree program, a certificate can provide you with specialized skills valued by Southeastern New England employers.
Rhode Island College provides students with a supportive and rigorous educational environment. With an average class size of 20, students have the opportunity for a meaningful learning experience guided by dedicated faculty.

RIC offers a diverse and welcoming community of students, 25 percent of whom identify as ethnic minorities. Many of our students represent the first generation in their families to attend a four-year college.

Those pursing a degree at RIC combine a strong foundation in general education with a broad array of majors in the liberal arts, health care and health sciences, business, education and social work to prepare students for the workplace or advanced study.
