

# Early Childhood Educators

## Rhode Island College Early Childhood Education Graduate Program Graduate Offerings - Spring 2010

**ECED 505: Early Childhood Education and Development Issues**  
Tuesday, 4:00-6:50 PM Call number for registration purposes: 21487

Foster an in-depth understanding from various theoretical perspectives and issues of young children's educational, physical, social, emotional, and cognitive development by focusing on typical and atypical growth, multicultural contexts, and characteristics.

**ECED 512: Working with Families: Building Home-School Partnerships**  
Wednesday, 4:00-6:50 PM Call number for registration purposes: 21488

Develop an understanding of parenting, working with families within diverse multicultural, sociocultural contexts and building school, community, and family partnerships.

**ECED 661: Directing Early Care and Education Programs**  
Thursday, 4:00-6:50 PM Call number for registration purposes: 21489

Analyze quality early care and education programs and the administrative functions to maintain and improve programs. Topics include staff training, supervision, licensing, and budgeting.
