

Rhode Island College – Inquiry/Response Form #4 2019 - 2020

Federal regulations require that families report both taxable and untaxed income on the Free Application for Federal Student Aid (FAFSA). In addition to the information required on the Verification Form, you are required to verify the sources of untaxed income listed below for 2017.

If any item does not apply, enter “N/A” for Not Applicable where a response is requested, or enter 0 in an area where an amount is requested.

If the student was required to provide parental information on the FAFSA, answer each question below as it applies to the student and the student’s parent(s) whose information is on the FAFSA.

If the student was not required to provide parental information on the FAFSA, answer each question below as it applies to the student (and the student’s spouse, if married) whose information is on the FAFSA.

To determine the correct annual amount for each item: If you paid or received the same dollar amount every month in 2017, multiply that amount by the number of months in 2017 you paid or received it. If you did not pay or receive the same amount each month in 2017, add together the amounts you paid or received each month. If more space is needed, provide a separate page with the student’s name and ID number at the top.
