

Sapinsley Hall Seating

Please note that the seat numbers in Sapinsley may have changed since you were here last. Also, the only seats in Sapinsley Hall that are available for wheelchair placement are listed below. Please be sure that you review this carefully as this is also a change from past years:

SAPINSLEY HALL

Right Loge

- row Q: seat 2 (this seat can be sold either as a wheelchair with seat 4 available for a non-wheelchair companion, or both seats 2 & 4 can be sold as non-wheelchair seats.)

Left Loge

- row Q – seat 1 (this seat can be sold either as a wheelchair with seat 3 available for a non-wheelchair companion, or both seats 1 & 3 can be sold as non-wheelchair seats.)

Right Floor

- row C: This row will accommodate one wheelchair and two companions. Wheelchairs can be given a ticket for seat number 6. This space will be empty to accommodate one wheelchair. It should not be sold to non-wheelchair patrons as there will not be a chair available to place there. Tickets for seats 2 & 4 will have actual seats in place and may be sold to companions of the wheelchair patron. If no wheelchairs will be placed here, these three seats should **not** be sold to non-wheelchair patrons and should be held open for a wheelchair & companions that show up unexpectedly at showtime.

- row D: This row will accommodate one wheelchair and one companion. Wheelchairs can be given a ticket for seat number 2. This space will be empty to accommodate one wheelchair. It should not be sold to non-wheelchair patrons as there will not be a chair available to place there. Tickets for seat 4 may be sold to a companion of the wheelchair patron. There will be an actual chair in place there. If no wheelchairs will be placed here, these two seats should not be sold to non-wheelchair patrons and should be held open for a wheelchair & companion that show up unexpectedly at showtime.

Left Floor

- row C: This row will accommodate one wheelchair and two companions. Wheelchairs can be given a ticket for seat number 5. This space will be empty to accommodate one wheelchair. It should not be sold to non-wheelchair patrons as there will not be a chair available to place there. Tickets for seats 1 & 3 will have actual seats in place and may be sold to companions of the wheelchair patron. If no wheelchairs will be placed here, these three seats should not be sold to non-wheelchair patrons and should be held open for wheelchairs/companions that show up unexpectedly at showtime.

- row D: This row will accommodate one wheelchair and one companion. Wheelchairs can be given a ticket for seat number 1. This space will be empty to accommodate one wheelchair. It should not be sold to non-wheelchair patrons as there will not be a chair available to place there. Tickets for seat 3 may be sold to a companion of the wheelchair patron. There will be an actual chair in place there. If no wheelchairs will be placed here, these two seats should not be sold to

non-wheelchair patrons and should be held open for a wheelchair & companion that show up unexpectedly at showtime.

This gives you space for 6 wheelchair patrons in each performance. There are no other places available for wheelchairs in Sapinsley Hall. Chairs, other than those indicated above, that may have been removable in the past, are no longer removable and should only be sold to non-wheelchair patrons.

I have attached the current Sapinsley Hall seating chart. I hope this is helpful to you. And even though you will be selling your own tickets, please feel free to call me at any time with any questions you might have regarding seating.

Best,

Paul Cotter
