

Fairlawn ELC School-Wide Reward System
Draft

Goal: To reward students with a tangible item that will reinforce appropriate behaviors in the following areas:

- lunch room
- multipurpose room
- playground
- bathroom
- hallways
- bus lines
- classrooms

Procedures:

1. Star Bears

The faculty and staff will obtain a “star bear” located in the teacher’s room each morning. The bears will be used to reward appropriate behaviors in any area. When the child receives a “star bear” the bear will be brought to class and a tally mark will be placed on the tally bear chart.

2. Tally Bear Charts

A tally chart will be posted in each classroom with a dry erase marker. The student will add a tally to the chart and then return the “star bear” to the office.

3. Star Sticker

When the bear is returned to the office, the child will receive a star sticker to wear for the day.

4. Reward Menu

Each class will determine the reward they are working toward. The reward will be selected from a menu developed by the PBIS team.

The reward will be written on the tally bear chart to remind the students of their goal. The number of tallies required to receive a reward will be determined by the PBIS team and indicated on the reward menu.

5. Reward

It will be the responsibility of the PBIS team to deliver the reward to each class.

Bus Line Reward System

Procedure:

1. A tally bear chart will be posted in the main hall for each bus.
2. The faculty member responsible for main hall supervision will select a bus line (or lines) that follow the expected behaviors and reward the bus line with a “star bear.”

3. A tally mark will be placed on the posted bus line tally chart.
4. Each bus line will select a reward from the bus line reward menu.
5. It will be the responsibility of the principal to deliver the reward to the appropriate group of children from the rewarded bus line.
