BOY + BOT
“Hi! said the BOY. Want to play?”

BOT blinked, “Affirmative!”
They played.

They had fun.
As they climbed down the hill a rock bumped BOT's power switch and he turned off. “Are you sick?” the BOY asked.

BOT did not answer. “I must help him,” said BOY.

Later, BOY’s parents peeked in on him.

They did not see BOT behind the door.

The door bumped on BOT’s power switch.
BOT turned on. "What is wrong?" BOT asked.

BOY did not answer. "I must help him," said BOT.
BOT took BOY home, fed him, and read to him, and put him to bed.

The inventor walked in and told BOT, "That is a boy!" Bring him home!

Inventor drove BOY home.

“Want to play tomorrow?” BOT said.

Affirmative,” BOY nodded.
And the friends did.
