In an old house in Paris covered in vines lived 12 little girls in 2 straight lines.

They left the house at half past nine in two straight lines in rain or shine.

The smallest was Madeline.

She was not afraid of mice.

She loved winter, snow, and ice.

Genevieve lived with Madeline for 6 months.

In May everyone was nervous.

May was when trustees came for the yearly inspection.
During the inspection the trustees found Genevieve.

The trustees told Miss Clavel to throw out the dog.

After the trustees left Miss Clavel and the girls cried.
Miss Clavel told the girls to get dress and look for Genevieve.

The girls looked every place a dog might go.
Hours later they came home heart broken.

They all went to bed sad.
In the middle of the night Miss Clavel went outside and found Genevieve.

Genevieve was petted, fed and everyone went to bed.
Miss Clavel ran back to find the girls fighting.

Miss Clavel told the girls to go to sleep.
Again Miss Clavel had to return to the room.

Miss Clavel was surprise to find there was enough

Genevieve to go around.
