# Mrs. Santa Claus

Written and Illustrated by  
Penny Ives

One day

in

December

Santa Claus

woke up

covered in

spots.

This left Mrs. Clause

to

finish making

all of the

presents

Mrs. Claus got out of bed and went into the stable to feed the reindeer,

The reindeer were covered in red spots too!

Mrs. Clause gave reindeer medicine to feel better

Mrs. Claus collected

all

of the

letters that came

to

Santa

over

night

Mrs. Claus worked all day to finish making the toys.

Mrs. Claus wondered how she would deliver toys with no reindeer.

Suddenly, Mrs. Claus had an idea! Mrs. Claus would use her

vacuum cleaner to

turn

her

bicycle

into

a flying machine!

Mrs. Claus put all of the toys in her basket

Mrs. Claus dressed like Santa Claus so no one would recognize her.

Mrs. Claus was ready to deliver the toys!

Mrs. Claus delivered the toys to the boys and girls all over the world.

Now it was time to go home.

Santa Claus

and

the reindeer

helped

Mrs. Claus

land

her

flying

machine!

They were

feeling

better.

Santa Claus surprised Mrs. Claus with a big breakfast and presents

for everyone. Merry Christmas!
