

**Alzheimer's CURE Foundation, Inc.**  
**Marketing Internships (many opportunities)**  
**Summer 2008**

**(We are also in need of Marketing/Fundraising/Event-Planning  
Volunteers – with or without school credit)**

We are a locally headquartered, 501(c)(3) non-profit organization making history in the area of medicine. Our mission is to dramatically accelerate the cure for Alzheimer's disease and our groundbreaking approach to eradicate Alzheimer's will one day soon, change the world we live in. Please visit our website at [www.alzcure.org](http://www.alzcure.org) to learn more about the **Alzheimer's CURE Foundation, Inc.** We are interested in interns who want to be a part of history-in-the-making. Although we are half-way into summer, you can still get as many hours as would be required to fulfill your internship requirement. You can have as many hours as your own availability permits. The necessary skills are:

- a. Outgoing, presentable and personable personality.
- b. Strong sales skills
- c. Strong marketing skills
- d. Hard worker with excellent work-ethic.
- e. Integrity.

The following skills would be a plus:

- a. Fundraising skills
- b. Event-planning skills
- c. Grant-writing skills

The student(s) who become our interns will be compensated on a commission basis, based on the amount of donations they manage to bring into the organization. Students who have a special interest in Alzheimer's and who want to make a difference in society are urged to join.

For more information, please send resume to [Info@alzcure.org](mailto:Info@alzcure.org) and include all your contact information.

**Successful interns may end up with a job offer down the road.**

Please call Effie Marie Lascarides at 401-473-7019.
