Our History

Since 1999, Focus Business Solutions has been providing high-quality, cost effective solutions to business of all sizes.

Who is Focus Business Solutions?

Focus Business Solutions was started by Gil Lantini in 1999 as a small home based website design company. In the first year of business, Focus brought on well known local companies such as Douglas Wine and Spirits and The Real Estate Journal. In 2007, both are still clients of Focus Business Solutions.

Over the past 8 years Focus has undergone significant growth and major additions to the products and services we offer. Despite these changes, our philosophy has remained the same:

"Provide businesses with all of the products and services they need to be successful, while maintaining the highest quality work and providing exceptional customer service."

Today, Focus consists of a dedicated in-house design and technical staff and works with hundreds of companies locally, nationally and internationally. Our service offerings have grown from website design to:

- e-commerce websites
- internet marketing
- communication design
- printing services
- promotional products
- direct mail services
- screenprinting & embroidery
- trade show exhibits
- database programming
- website hosting
- photography
- video/radio production

By offering such a complete suite of business related products and services, we provide a convenient one-stop solution to businesses of all sizes in all industries. From the home based startup to the corporate giant, Focus has the right solution to affordably fit your needs.

Our Services

At Focus Business Solutions, our philosophy is simple. Offer a one-stop solution for all businesses by providing a complete line of high quality design, print and promotional services.

Website Design

Since 1999 Focus Business Solutions has been providing website design services to businesses of all sizes. Our highly trained staff can handle anything from a basic one-page website, to a fully animated flash website to a database driven e-commerce site. Regardless of the size of the site your company needs or the size of the budget you have to work with, Focus Business Solutions can help.

In addition to our website design services, we also offer internet marketing strategies to help drive traffic to your website and increase your business. Focus Business Solutions can help by launching successful Search Engine Marketing and Email Marketing campaigns to bring your website to the next level.

Communication Design

In addition to creating innovative websites, Focus Business Solutions also offers a full line of creative services. We can provide your company with a new logo, develop a direct mail campaign, design effective advertisements as well as fulfill any of your other graphic design needs.

In addition to graphic design services, we can also provide a wide range of other creative services for all of your marketing needs. From photography to video production to a full marketing campaign Focus Business Solutions can help.

Screenprinting and Embroidery

Focus Business Solutions offers a full-line of apparel that can be customized with your logo. We offer screenprinting and embroidery services to help with all of your corporate apparel needs. We can provide your company with: mens and womens t-shirts, hats, sweatshirts, outerwear, polo's and much more.

Promotional Merchandise

Promotional products work great in any situation. They can be used to reward current customers, serve as "door openers" to reach new customer, motivate employees, and increase awareness for a cause or organization.

We specialize in providing low prices on: mugs, glassware, pens, magnets, keychains, golf balls, stickers, letter openers and much more.

Printing

Focus Business Solutions can provide your business with a one-stop printing resource. With no minimums on most of our printing services, we are capable of handling printing jobs of any type and size. Our quick turnaround and affordable pricing make Focus the perfect place for all of your printing needs. We can provide items such as: color copies, business cards, postcards, flyers, brochures, posters, business forms, folders, vinyl banners, tradeshow graphics and even those not-so-common print jobs.

Testimonials

We don't always like to talk about ourselves, so we let our clients do it for us! Read what they have to say about working with Focus Business Solutions!

Working with Focus has been a refreshing and professional experience all around. We have found that not only does Focus offer the best pricing and selection around, but they are also quick to get back to us and extremely reliable. We couldn't suggest a stronger promotional supply team...I am glad that we found them!

Ashley Joseph, Promotions Manager - WBRU

We have had the pleasure to work with Focus Business Solutions over the past 6 years. During this time, they have continuously exceeded all of our expectations and provided us with a website our company can be proud of. They have provided us with exceptional customer service and have been a pleasure to work with.

John Haronian, President – Douglas Wine & Spirits

From website creation, logo design, merchandise and marketing materials, Focus Business Solutions has always been able to get us what we need on time and with a smile! It's wonderful to be able to work with a trustworthy and knowledgeable staff.

Jennifer Stevens, Organizer – Ocean State Action

The exceptional work of Gil Lantini, and his staff at Focus Business Solutions, exemplifies the profound impact a strong marketing team provides to a growing business. Focus Business Solutions redefines marketing excellence. The staff of BandStandLive appreciates the hard work and dedication put forth by Gil and his staff; proudly, we look to Focus Business Solutions as continued business partners, colleagues and friends.

Dilini Fernando, General Manager – Band Stand Live

Focus Business Solutions has become our one stop shop! Not only do they provide us with top of the line quality goods but, they do it with a quick, accurate turn-around. Whether referring a printer, marketing firm, web designer or promotional product company to other Chamber members, Focus Business Solutions always comes to mind.

Susan Pagnozzi, President – Cranston Chamber of Commerce

We were very impressed by the professionalism and abilities of Focus Business Solutions. The ongoing positive and enthusiastic attitude was greatly appreciated by reasonably non-computer versed clients. Nothing was a problem for Gil and he always came through with good solutions for our variety of issues. We have highly recommended the firm to many people. Our website is beautiful!

Anne Page, Tiverton Trading Company

The timeliness in which my order was executed is unreal. Focus Business Solutions provided an excellent product in record time - I could not be more happy with my first experience in working with this organization. Thank you!
