

Instructions for Using Equipment in Level 0 with TV

http://www.ric.edu/toolbox/building_information/levels/eclassroom_lab_information.htm

The equipment in this room is controlled by the TV, mounted on the wall.

Note: For immediate assistance, please call the Help Center at 456-8803. We are located in Gaige Hall 113.

Sharp TV control panel is on the right side of the TV itself:

- 1) To turn the TV ON/OFF, push the "POWER" button.
- 2) When the TV turns on, use the "INPUT" button to select the source you need.

Note: You will need to toggle to the source you want to display. To do this you must press "INPUT" till it highlights your source.

- 3) To adjust the TV audio, push the "VOL" button + & - buttons.

Selecting equipment to be displayed on TV:

Laptop - set the TV to "PC IN"

- 1) Connect your VGA cable to your laptop and the VGA connection on the wall.

If you don't have a VGA Cable, please call the Help Center at 456-8803. We can deliver one to you.

- 2) Set "INPUT" source to "PC IN" on the TV.

Note: If the laptop is not projecting, You may need to send the image from your laptop. On the laptop, push both the "Fn" & "CRT/LCD" keys from the keyboard at the same time until you see the image from your laptop projected on the screen.

- 3) If you need audio... Connect your laptop via a "mini" audio jack from the headphone port to the "mini" jack on the wall.

HDMI device - set the TV to " INPUT 1 HDMI 1"

- 1) Connect HDMI cable to your laptop and the "HDMI" connection on the wall by the windows.
- 2) Set "INPUT" source to "INPUT 1 HDMI 1" on the TV.
