There are many benefits to becoming a part of the Family to Family Network

» **Family to Family Directory**
   An online directory of other families available to support you and share their own personal experiences, by phone, internet or in person. You can search for help by disability, location or even age.

» **Yahoo Group Listserve**
   An online community of families of people with disabilities. Share stories, ask questions and learn resources.

» **Support Groups**
   Meet face-to-face at our support groups across the state, in English and Spanish.

There is **no cost** to be a part of Family to Family of RI
