

Rhode Island College
 Inquiry/ Response Form #2
 2022 - 2023

Federal regulations require that families report the value of cash, savings and Investments in all accounts at the time that student aid applications are completed. You were able to skip these questions based on certain information you put on your FAFSA. We have determined that you are actually required to provide this information. Please use the worksheet below to report the value of all cash, savings and investments as of the date that you completed the Free Application for Federal Student Aid. You should then sign and date the form and return it to the Office of Student Financial Aid in the enclosed envelope.

	<u>Parents</u>	<u>Student/ Spouse</u>
