*In Fall 2019, the new Northeast Neighbors program was adopted allowing students from all of New England and Metro NYC to attend RIC at the reduced rate of the former MTP program. Many students who would have been counted in the "Out-of-State" category previously now appear in the MTP/NEN category, thus accounting for the large changes in each between this year and last.

**Undergraduate intended majors are placed in the school of their intended major. "Undeclared" are students remaining in the "undeclared" category and are not in one of the "exploring majors" categories. Students in one of the "exploring majors" categories are counted in the appropriate school figures.
