## “OAI 2022: Where Will We Go Next?”

The Open Air Institute (OAI) is a three-day, place-based form of professional development that integrates state and local history, geography, and culture with writing and educational best practices, and is open to teachers of all levels and disciplines. The OAI will be back again this summer for three days of exploring literacy strategies that connect a particular theme with three different Rhode Island communities. Past themes have included diverse topics ranging from specific areas such as libraries, rivers, and farms to broader topics like the “Dark Side” or last year’s choice, “Fun and Games.” Where will we go and what will we explore in OAI Summer 2022? Save the dates above and stay tuned for more information and registration in the coming months!

Cost: Educators -- \$100 Teacher candidates -- \$75  
18 PLUs available Participants limited to 15
