Report of Undergraduate Curriculum Committee Action  
Document(s): #21-22-028

Recommendation: Approve.

Date of Action: 4/15/2022

Originated by: George Ladd

Dept. Psychology/Director CDAS

Recommended by Undergraduate Curriculum Committee  
(Department, Person, or Group)

Effective date: Fall 2022.

Catalog citations: See pages on Curriculum website.

Comments: #028 asks to approve a change the name of Chemical Dependency and Addiction Studies to the more current and accurate Behavioral Health Studies. The proposal includes the deletion of two long disused courses that used to be cross-listed: NURS 471 Practicum in Chemical Dependency and Addiction Studies and NURS 474 Internship in Chemical Dependency and Addiction Studies, and the update of the PSYC version of these to incorporate the new program title and become: PSYC 471 Practicum in Behavioral Health Studies and PSYC 472 Internship in Behavioral Health Studies. The descriptions of these last two also need updating to take out the cross-listing reference.

Dept. Chair English

Recommended by Undergraduate Curriculum Committee

(Department, Person, or Group)

Effective date: Fall 2022.

Catalog citations: See pages on Curriculum website.

Comments: #029 asks to approve the revision the capstone course for the basic ENGL major, and the concentration in Creative Writing—merging the current ENGL 460W and ENGL 461W into a single ENGL 460W Seminar in English that follows a portfolio approach and better prepares students for post-graduation. To this end the description will be revised to reflect the change in emphasis. The prerequisite will still work, and the ENGL 461W course will remain as an option alongside the ENGL 37X creative writing courses that can be done to satisfy that major. The Professional Writing concentration will retain ENGL 477 Internship in Professional Writing as its capstone.

Dept. Modern Languages

Recommended by Undergraduate Curriculum Committee

(Department, Person, or Group)

Effective date: Fall 2022.

Catalog citations: See pages on Curriculum website.

Comments: #032 asks to approve a proposal to revise the Modern Language BA concentrations in French, Portuguese and Spanish—since revising its various minors to include the relevant 115 Literature of the --- Speaking World in that language course (which are Gen Ed. Literature courses), they would like to do something similar with these Majors, and have them, also require the relevant 115, but also eliminate some other courses to allow the majors to be reduced from 46-48 credits to an even 40 each, which should allow students to be able to more easily complete within four years, and will also allow the department to produce effective 2+2 plans with CCRI for these majors. All three will eliminate 2 course cognates in another language and one additional 300-level language course.

Dept. Management and Marketing

Recommended by Undergraduate Curriculum Committee

(Department, Person, or Group)

Effective date: Fall 2022.

Catalog citations: See pages on Curriculum website.

Comments: #033 and #034 each ask to approve a proposal to revise the prerequisites of MGT 201W Foundations of Management and MKT 201 Introduction to Marketing from 45 completed credits to 30, to allow students to take them earlier in their studies.

Several other programs use this course and all have been informed so they will be able to update their Academic Rhode maps accordingly. #035 asks to approve the revision of the prerequisite of MGT 306 Management of a Diverse Workforce from MGT 201W (or its equivalent) to 60 completed credits, and revise its title to become MGT 306 Managing a Diverse Workforce and add Spring to when it is offered, as this is also a course that is being used by the new BPS program and recent CUS in Workplace Diversity
